

ASSIGNMENT OF OVERRIDING ROYALTY INTEREST

STATE OF ILLINOIS

§
§
§

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF FAYETTE

Tsar Energy II, LLC, 3600 Armstrong Ave, Dallas, TX 75205, hereinafter called "Assignor", for and in consideration of the sum of TEN DOLLARS (\$10.00) and other good and valuable consideration, the full receipt and sufficiency of which is hereby acknowledged, does hereby **BARGAIN, SELL, ASSIGN, and CONVEY**, without warranty to title, either expressed or implied, except as set forth below, unto the parties named in Exhibit "B" hereto, in the undivided interest set beside each such party's name therein, and to their respective heirs, successors and assigns, hereinafter collectively called "Assignee", an overriding royalty interest in and to all the oil, gas and other minerals produced from the leases covering lands in Fayette County, Illinois, described more fully in Exhibit "A" attached hereto and by reference incorporated herein, sometimes referred to herein as the "Leases," in the amount of Five and One Hundred Forty-Five Thousandths Percent (5.145%) in each Lease, as of March 1, 2004 (collectively, the "ORIs").

This Assignment is made and accepted subject to the following terms and provisions:

1. The ORIs assigned hereby are based upon and cover One Hundred Percent (100%) of production from each Lease, not reduced by the percentage interest in each Lease owned by Assignor. But, if any of the Leases covers less than the entire mineral fee estate in any of the lands described therein, then the ORIs hereby assigned, as to such land, shall be reduced to the proportion thereof which the mineral fee estate covered by such Lease bears to the entire mineral fee estate.
2. The ORIs hereby assigned are applicable to and covers and includes all oil, gas, casinghead gas and other hydrocarbons; and, they also cover and include coal and gas or other hydrocarbons produced from any coal formation, to the full extent the same is covered by any of the Leases.
3. In the event any of the Leases and lands described in said Exhibit "A", or any portion thereof, is pooled or combined with other lands or leases to comprise a pooled unit, Assignee herein shall receive payment for the ORIs granted hereby upon production from such unit, based upon the number of net mineral acres covered by the Leases to which the ORIs are applicable that are included in such unit, in proportion to the total number of net mineral acres included in said unit. Assignor shall have the affirmative right to pool any ORI consistent with the pooling provisions of the underlying Lease.
4. All ORIs assigned hereby shall extend not only to the Leases and lands as described on Exhibit "A" attached hereto, but also to any and all extensions or renewals of any of the Leases which may be acquired by Assignor, or its successors and assigns, within twelve (12) months of the expiration of any Leases.
5. On all oil and liquid hydrocarbons, including all condensate, distillate and other liquid hydrocarbons recovered or separated from oil or gas by separator or other equipment ("Oil"), the ORIs shall be paid based upon all Oil produced and saved from the Leases, and at a price equal to the price received by Lessee (including all available bonuses or premiums), so long as the Oil is sold in an arms-length transaction to a party unaffiliated with Assignor; but, in the case of an affiliated sale, the royalty price shall, at Assignee's option, be payable based upon the current market value thereof at the time of production and at the point of sale. Assignee's Oil shall be sold by Assignor with its Oil; or, at Assignee's option, Assignee's share of Oil shall be delivered to Assignee, free of cost, into the storage tanks or pipeline to which the wells may be connected. To exercise such option (which may be done by Assignee from time to time), Assignee shall give sixty (60) days written notice to Operator/Assignor.
6. On all gas produced from the Leases, including casinghead gas and residue gas at the tailgate of any plant through which the gas is processed, the ORIs shall be paid based on the volume of gas produced and saved, and a price equal to lessee's proceeds so long as the gas is sold in an arms-length transaction to a party unaffiliated with Assignor; but, in the case of an affiliated sale, the royalty price

shall, at Assignee's option, be payable upon the current market value at the time of production at the place of sale or use.

7. All ORIs on Oil and gas payable to Assignees shall be paid free and clear of all costs of production and development, including, without limitation, drilling, completion, reworking, or other operations, and all costs associated therewith; and, without deduction for any costs of marketing, gathering, transporting, separating, treating, processing, dehydrating, compressing or other costs in making the Oil and gas and other minerals available and marketable at the place of sale or use.

8. In the event Assignee should ever elect to take its share of production in-kind, but fails to make arrangement necessary to take in-kind or separately dispose of its proportionate share of Oil and/or gas produced from the properties, Assignor shall sell (or cause the Assignor's well operator to sell) such Oil and/or gas, of Assignee for the account of the Assignee at the same time and upon terms no less favorable than is received by Assignor for its share of production; any such sale by Operator/Assignor of Assignee's share of Oil and/or gas shall be only for such reasonable periods of time as are consistent with the minimum needs of the industry under the particular circumstances. Any such sale, or any payments hereunder based upon a "proceeds" royalty (a) shall include Assignor's payment of all severance and/or production taxes due on such sale for the account of Assignee out of Assignee's proceeds; (b) shall require Assignee to be paid for Oil and/or gas sold on its behalf directly by the purchaser; and (c) with respect to any sales by Operator/Assignor that are made to an affiliated entity, payments to Assignee shall be based upon the amount realized in the first sale by an affiliate of Operator/Assignor to an unaffiliated third party, less any actual and necessary costs incurred through the point of sale, but excluding any marketing fees paid to any affiliate of Operator/Assignor.

9. IN CONNECTION WITH ALL OPERATIONS ON THE LEASES, ASSIGNOR AGREES TO DEFEND AND HOLD HARMLESS ASSIGNEE, AND THEIR RESPECTIVE HEIRS, SUCCESSORS AND ASSIGNS, FROM ANY AND ALL COSTS, LOSSES, CLAIMS, JUDGMENTS, SETTLEMENTS, AND DAMAGES OF EVERY KIND AND CHARACTER (INCLUDING VIOLATIONS OF ENVIRONMENTAL LAWS AND REGULATIONS, PERSONAL INJURY AND DEATH), LAWSUITS AND/OR CAUSES OF ACTION (INCLUDING REASONABLE ATTORNEYS' FEES AND COURT COSTS), WHICH MAY GROW OUT OF, ARISE FROM, OR IN ANY MANNER BE CONNECTED WITH ANY SUCH OPERATIONS OR THE ACTIVITIES OF ASSIGNOR, OR ASSIGNOR'S AGENTS, INVITEES, GUESTS, CONTRACTORS AND EMPLOYEES, WHETHER ACTING WITHIN THE SCOPE OF THEIR EMPLOYMENT OR NOT, AND WHETHER NEGLIGENT OR NOT, ON THE LEASES, OR ANY ADJACENT PROPERTY.

10. This Assignment is given and received subject to the terms of that certain unrecorded letter agreement dated April 30, 2004, between Assignor and Brett G. Taylor, Trustee, which includes, among other things, certain warranties and remedies with respect to the net revenue interests in production from four fields that will be covered by the ORIs, and certain remedies available to Assignee if title to any of the ORIs hereby assigned should fail. The terms of such letter agreement shall survive the closing and the recording of this Assignment.

11. This Assignment is executed with special warranty of title to the ORIs hereby assigned, and Assignor hereby warrants and agrees to defend title thereto against the claims and demands of all persons claiming or to claim all or any part of the same by, through or under Assignor, and its predecessors in title, through and including ERG Illinois, Inc., but not otherwise.

12. This Assignment is effective as of March 1, 2004, at 7:00 a.m., Central Time.

All the provisions of this Assignment shall be binding upon the respective heirs, successors, and assigns of the Assignor and Assignee herein.

TO HAVE AND TO HOLD the same unto Assignee, and their respective heirs, successors and assigns, forever.

DATED the 30th day of April, 2004, however effective as of the 1st of March, 2004.

ASSIGNOR

TSAR ENERGY II, LLC

By: [Signature]
Printed Name: RICHARD M. CHEATHAM
Its: PRESIDENT

ACKNOWLEDGMENTS

STATE OF TEXAS §
 Dallas §
COUNTY OF ~~TARRANT~~ §

BEFORE ME, the undersigned authority, on this 30th day of April, 2004, personally appeared Richard Cheatham President of Tsar Energy II, LLC, a limited liability company, known to me to be the person whose name is subscribed in the foregoing instrument and acknowledged to me that he executed the same for the purposes and consideration therein expressed and in the capacity therein stated.

Denise Stafford
